on-shore. Relax at the tables provided or bring your own chairs. Explore the island and look up to see if you can spot the owl nest. Navigation and schedule details are on the attached flyer and also on the website: www.cbssps.org.

YACHT CLUB: 9:00 am- 4:00 pm.

Cost \$10/one person \$20/family

FREE BOOK per group No matter

how much experience you have with boating, it is important to have the knowledge needed to keep your passengers, yourself and your boat safe. By signing up for the ABC3 course you will learn navigation rules, water sports safety and other valuable boater safety skills.

Share this with your neighbors, fellow boaters, and family members. Students

ages 12 and over are welcome. Successful completion results in the Florida Boating Education Card required for everyone born after January 1, 1988.

keep IN TOUCH

We all have those things that we need to talk about.
So if there's anything on your mind, big or small,
please get in touch.

Cocoa Beach values its members and wants to support them in times of sickness and sadness. Please help by notifying Cdr Roy of any member's illness or major family issues. (cdr@cbsps.org) He will contact our Chaplain, Sandy Carlson, who will send a card from our club.

In case of serious illness or death of a member, also contact Cdr Roy so he can ask our communications officer, Pam Johnson, to share the information with everyone. We are a boating family and want to reach out to our members who need a little support. To share any other messages with everyone, please sent the information to the commander who will be the primary contact with Pam.

XOXO

**National Update: There are changes underway...
Locally we have already changed our name to
America's Boating Club Cocoa Beach in accordance
with the directions we have received from our national
organization.**

**We have been further asked to no longer refer to our
group as a "squadron" but now as a club, as in a
"boating club". For many this will be a big change but
it is hoped that this will make it easier for new boaters
to recognize us as an organization that promotes both
boating and boating safety through our many
educational opportunities.**

Look for further changes in emails from national.

Did You Know: America's Boating Club Cocoa Beach cleans Sykes Creek Road on Merritt Island as part of Keep Brevard County Beautiful? Before any major event at the Vet Center the members don safety vests and collect waste. This is coordinated by P/C Jay Longway who will be glad to add you to the list of volunteers. Thanks to all who participate.

Clean, aluminum cans; can tabs; food and personal supplies for homeless...all are collected at monthly meetings. The donations are genuinely appreciated.
