## Merit Mark Time:

1. Any member who volunteers extra time the social, educational and community service projects is eligible to earn ONE merit mark per year.
2. While attendance at meetings, activities and participation in classes does not count, helping to make these happen does count.
3. Department heads will submit your time, but it is acceptable for you to contact any of them to remind them of help you may have given.
4. It seems like a lot, but 25 MMs later, you will become a non-dues paying Life Member.

## Education Opportunity:

After the successful completion of the D23 On-line Weather course, another opportunity is being scheduled.

**Advanced Piloting/Advanced Marine Navigation will be offered on-line this fall.**

**Prerequisite is Piloting/Marine Navigation
