Any member daring to compete is invited to bring their chili to be judged by their fellow members.

Each member will be given 3 tokens to place in the cups for their favorites.

Prizes will be awarded for first and second place winners.

The club will provide cheese, crackers, sour cream, onions and eating utensils. The usual soft drinks, beer, wine, bottled water will also be provided. Donations for the beverages are accepted.

Members are not required to bring chili! They are welcome to come to judge.

Don't like chili??? Folks may bring soup or desserts for you to enjoy, but not to be judged.

Planned Activities

10:00 am Monthly Boating Event

Kayakers should bring their own kayaks and meet at the kayak launch at the park for a tour of Sykes Creek. Rental information will be presented at the chili cook-off and posted on the website for those who would like to participate.

1100 am – 2:00 pm: Picnic and Games

- Bring a chair for additional seating.
- Participate in the “Olympic Games” as described on the attached flyer coming soon.
- Enjoy a picnic lunch at the “share a dish” meal. Bring a main dish, salad, or dessert, enough to feed the hungry crowd.
- The club will provide eating vessels and the usual beverages.

And...

Meet the Bridge members who are planning this and all the up-coming new events.

Following a successful Marine Communications class – Completed February 25th and an ABC3 Class which is a one-day class scheduled for March 2nd at the Port Canaveral Yacht Club public boating class –the education department is announcing a spring offering.

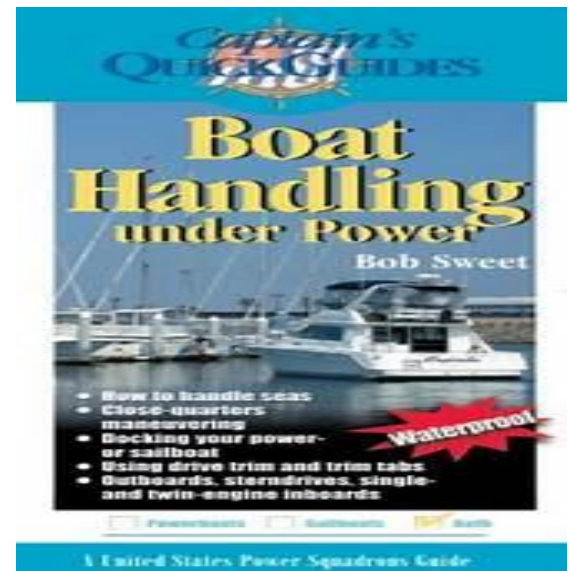

This class is for all boaters, novice or experienced, who want to learn some new techniques in maneuvering their boat and to review some of the basics of boating skills. Enjoy the challenge of correctly tying knots and hitches and delve into an in-depth lesson of the rules of the road. This six- week class has something to offer everyone who loves boating!

At the successful completion of the class, the members will be awarded a rank of Seamanship, denoted with an “S” behind their name in the national roster. The following navigation class in the series is Inland Navigation which is being scheduled.

It is not too early to sign up since books need to be ordered.
