Membership Meeting

Tuesday February 05, 2013 @ 1900
Brevard Veteran's Center
400 Sykes Creek Pkwy. Merritt Island, FL

Monthly Meeting Information

A monthly speaker for the February general meeting will be determined at a later date, if any! Our March 5th meeting, will begin at 1800, with a chili cook-off. Your favorite soups will be welcome too! More information will follow in the March Soundings.

Attention On Deck

As a fundraiser, the entertainment committee is asking members to donate, their used cell phones. In turn, we will sell them to a recycling firm. Please contact Donna Longway @ 321-474-8786, if you have any lying around the house.

AT THE HELM

Cdr. Lance H. VandeBerg, P

I would like to thank all of you that have contributed to all the activities we have enjoyed this past year. Without your generous time and contribution to the success of the squadron, we can not survive. Please help me welcome the new bridge and all the other members volunteering to fill the many committee chairs and support groups for this year.

I look forward to an exciting and fun year again and offer my support to all the membership. We have several new members in the squadron this year. I am hopeful they are willing happy to get involved with the activities and support us throughout the year. We are always interested in new ideas to have fun and promote the squadron, so please let us know if you think of any. We enjoyed a first time, Cape Canaveral Lighthouse and Space museum tour in January, thanks to Denise Stone, and hopefully will be able to do this again.

The upcoming activities that are scheduled include the Change of Watch on February 2, a Chili cook off at the March meeting, the D23 Spring Conference schedule for March 1-3 at Lake Mary, Meet the Bridge picnic in April at Kiwanis park, maybe a trip to the Brevard Zoo, and many boating events.

I wish you all health and happiness this year and hope to see you on the water.

Ann & Jim O'Malley, were speakers at the January meeting. (P/C Lance Vandeberg, P, in the middle)

Gerald Omeara being sworn in at the January meeting.

EXECUTIVE OFFICER
P/C J. P. Longway, III, P

Once again, thanks to all those members who took time to put forth and support our initiatives that made the Squadron informative and fun in achieving set goals throughout 2012.

As we begin the New Year, I hope it is a very happy, healthy & prosperous 2013 for you and yours. We appreciate those of you who remain committed to continue in various position(s), and provide assistance to other members/new members where/when needed. For those of you, who have not been able / available to contribute, please consider where/when you can volunteer in assisting other members. Very simply, it is a “we” effort to accomplish the many tasks that it takes to make the Squadron’s operations successful.

During 2013, the new Public Relations Committee will continue to pursue various media to provide timely information to the membership, and the community. Contact the Public Relations Officer with any suggestions as to how we can be more effective in getting the ‘WORD OUT’ about the Squadron activities to promote safe boating throughout our community.

Our certified examiners were constantly looking for opportunities to provide free Vessel Safety Checks. Presently 130 plus inspections were performed. Thanks for a job well done! Like to be a certified examiner, please contact P/C Kermit Forbes, P.

P/Lt/C Rick Schoonmaker, SN, has done an “outstanding job” in upgrading the Squadron’s Website with many new features. Please take the opportunity to review it, and offer suggestions how it may be more useful and informative.

A number of activities will take place as we start the new year, i.e., District & National Conferences, Cape Canaveral Tour, Change of Watch, Surveys in the Indian River for the County’s Natural Resources Management Office; Fall Conference planning.

Boating Report by P/C Duane L. Balkema, AP

Boaters, I would like to find 2 or 3 or maybe 20 Squadron Members to join me on a Boating Committee. Anyone interested call me on 321-452-5892. More input is needed to get more participation.

ADMINISTRATIVE OFFICER LT/C Robert Rutigliano, P

As you all know, the Squadron has adopted Sykes Creek Pkwy., from S.R. 520 to the Veterans Center gates to keep cleaned up as part of the county's KEEP BREVARD BEAUTIFUL program. While preparing for our December 19th clean up, I spoke with Denise Song from the county, and she advised me of a county wide TRASH BASH scheduled for April 20th. She asked for our participation in cleaning up what ever area we would be assigned. She also asked if during your daily travels you notice a property, public or private that is in desperate need of clean up. Obtain a street address, and give it to her so it can be placed on the list. Private property occupied by the elderly, disabled or any one who is not capable physically or financially to clean their property up may get help from the county.

She also would like a group picture of the Squadron with our banner to put on the county website. In the future I will be collecting the names of members willing to pitch in to help clean up our home. I would like to see a large turn out for this event, so the photo we present will be filled with happy, smiling CBSPS faces. I will keep you up to date.

I would like to take this opportunity to thank all of you for the privilege of serving as Administrative Officer this past year. It was certainly a learning experience for me, and I hope I was able to contribute to the growth and betterment of the Squadron.

I look forward to the up coming year with excitement and enthusiasm, as we take on the challenges of increasing our membership, and retaining those new members through an aggressive education program, and to continue to put more and more safe boats on the water with our Vessel Safety Checks program and to strive to fly our banner wherever the opportunity presents itself.

Lets all pledge to make 2013 the best year for CBSPS.

See you on the water

Submitted by P/C Bud Miller, JN (team captain)

Once again the Cocoa Beach Sail and Power Squadron is committed to participating in the Cocoa Village Relay for Life Cancer Walk on April 27, 2013, a Saturday. It will be held at the Cocoa Riverfront Park and we will have a booth setup along the walk path to publicize our safe boating programs.

This is the third year the squadron has participated in this event, and last year we raised over \$1,700 for this worthy cause through donations by our members. It is hoped to exceed this amount this year.

Although this is a fund raiser for the American Cancer Society, it is also an opportunity to get a little exercise and have some fun. Walking, however, is optional and there is no requirement to do so.

I will be collecting your tax free donation at the meetings prior to the event or you can mail it to me. Please make the check to the American Cancer Society with Cocoa Beach Sail and Power Squadron noted in the remarks. Thank you.

SECRETARY
LT/C Marilyn Flanigan, P

We will be working on the new 2013-2014 Year Book and Squadron Membership Roster, after the Change of Watch, 2/2/13

If you have any changes from the last Membership Roster, dated November 2012, please contact your secretary by phone, 452-4602. If you do not notify me, changes cannot be made, and you may miss getting any updates of events that you may like to be a part of.

If your name is not on the Birthday list each month, it's because you didn't tell us the date when you filled out your application of membership. If you would like, we will be glad to add your name to our Birthday list. Call your secretary.

January Birthday missed: Al Pappas - 1/25. Sorry about that, Al.

Happy Birthday to all who will be celebrating a Birthday in February 2013.

Douglas Bisset	01/02	Gerald O'Meara	02/18
Ralph Crawford	02/02	Garry Pepin	02/06
Scott Kee	02/16	Daniel Perry, Jr.	02/16
Charles Kilgore	02/14	Susan Rouse	02/05
Patricia O'Brien	02/08		

Submitted by LT Denise Stone, P

Recently a group of 43 from CBSPS toured Cape Canaveral Air Force Station and Cape Canaveral Lighthouse. The tour consisted of visiting some of the original sites of our early space program, including Launch Complex 5 where Alan Shepard blasted off into our history books in 1961, and Launch Complex 14 where John Glenn became the first American to orbit earth.

This tour also stopped at the Cape Canaveral Lighthouse where some of our group climbed to the 5th level of the lighthouse! The recent renovations of this historic lighthouse made this stop very memorable. This 167 ft tall operating lighthouse built in 1859 is the only lighthouse owned by the US Air Force.

After the tour the group met for lunch at Fish Lips at the Port.

To take this tour one needs to contact the Patrick AFB Affairs Office at 321-494-3945 to reserve a spot. This is a free tour that lasts 3 hours but it is only offered twice per week on Wednesday and Thursday, and reservations are strongly suggested.

See pictures on page 9, submitted by LT/C Robert Rutigliano, P. Other pictures that were taken, should appear on our website, at a later date.

SEO

Lt/C Gerard Meunier, SN

Working together for the past month, two SEOs, one going out and one coming in, have set up a very ambitious year for the education department. It is a work in progress but we wish to share with you what we have accomplished so far.

Although January is a transition month for most departments, education classes have been scheduled, sites have been found, students enrolled and instruction is well underway.

Advanced Piloting with seven students is being held at the BCMVC while Piloting with 11 students is being held at Cape Canaveral Hospital. The latter class is the first class that has enrolled non-members. Those have already indicating a desire to join CBSPS.

This up-coming year will see two new firsts....1) we will begin to present 2-hour seminars to our members and the public, and 2) we will be working with the Port Canaveral Yacht Club which is providing us space in their on-the-water facility for both seminars and ABC classes.

The Weather Seminar will be held on Saturday, 16 February from 0900-1200. New ASEO 1/Lt Winifred Crawford, JN, will present the seminar and the folks from the PCYC will provide refreshments. We hope squadron members invite their boating friends to join them in attending this premier event.

And that's not all.....on 9 February there will be a one-day ABC class lead by D/Lt/C John Mulkey, AP, at the Boaters Exchange, another organization with which we have a strong working relationship.

The challenge that we face this year is finding space in which to hold classes. Some of our previous venues have disappeared and the education department is happy to say that the general membership is stepping up to the plate. Any ideas to resolve this issue are welcome.

Working together with a variety of folks and organizations seems to be an underlying theme for our up-coming year as we continue to present a variety of boating educational opportunities for ourselves and our fellow boaters. The in-coming SEO, P/C Sandy Schoonmaker, SN is excited to be involved in this venture.

COCO-NAUTS CORNER

DORIS VALENTINE, PRESIDENT

This will be my last report as your President, as the new Board will be sworn in, at the change of watch luncheon, held at the Hilton Hotel, in Cocoa Beach, on Saturday, February 2nd. The new auxiliary board members are as follows:

President - Debra Burleson

Vice President - Pamela Johnson

Treasurer- Marian Sweigert

Secretary - Jane Schnoor

Members at large - Doris Valentine, Doris Hess, and Marilyn Flanigan

I want to thank everyone, for your support last year, and I'm sure that 2013 will be successful under Debra's leadership!

The next meeting for the Coco-Nauts, will be our friendship get together, where we invite new members to a salad luncheon. All persons attending, with the exception, of persons receiving an invitation (new members), should bring a salad to share with others. This is scheduled for Wednesday, February 13th, at the Cocoa Village Marina starting at 11:30 AM. Please try to attend, to greet the new board members, and welcome any new members!

February Birthdays

02 - Reesa Jacobs'
 06 - Fricky Vaughn
 08 - Patricia O'Brien
 20 - Betty Auchter

United States Power Squadrons

District 23 Spring Conference 2013
Harris Chain Sail & Power Squadron

January 2013

We are making our Rosters out, for the Spring Training Weekend

Is your name on our roster?

No it is not a DB2000 thing. It is not even your individual squadron.

We are looking to add your name to the District 23 Spring Conference Roster.

The Games begin on Friday, March 1st and continue thru the weekend.

Friday evening is a Baseball themed dinner and mixer party. We will "play" a little baseball – with a Power Squadron twist ...Grab some baseball garb and get involved in the theme.

Saturday **AND** Sunday offers a full schedule.

The enclosed schedule, has a detailed agenda, so you can plan your every move. Everyone is invited to participate in, every event!

Come and be part of the fun and activities that we are offering. I guarantee that this is nothing like anyone is used to attending

Throughout the Conference, special guest speakers, including representatives from the Coast Guard and NOAA, are scheduled to be offering us very interesting and informative presentations.

There is a unique "Spouses Event" for those not involved with the Conference meeting Saturday afternoon.

Sunday should be also be loaded with action, The N Club breakfast meeting with guest speaker Cdr Dave Haslam, AP will start the day. Immediately following the N Club meeting, our DEO will present an instructor recertification class. This is a convenient chance for all Instructors to recertify.

Spend a few minutes and complete your reservation packet, don't delay!

Write that check and send it back to us.

The address is on the reservation form. How easy was that?

If you have already sent your registration in, THANKS! Please make sure that every member in your squadron is coming. Pass this form to them and tell them to "Get into the game!"

Batter Up, for Spring Training,

Cdr Raymond Ellison, JN

SKYWARN®

Basic Spotter Training Class

Saturday

March 2, 2013

1000 AM to 1200 PM

Hosted by

**Harris Chain Sail and Power Squadron
United States Power Squadrons - District 23**

Marriott Inn Ballroom

Lake Mary, Florida

The United States Power Squadrons, District 23, in cooperation with the National Weather Service in Melbourne, will be hosting a Basic SKYWARN Spotter Training Seminar.

SKYWARN Training is geared towards anyone with an interest in public safety and communications during extreme weather events.

SKYWARN is a program that was developed and is presented by National Weather Service (NWS) meteorologists. The seminar consists of trained weather spotters who report severe and hazardous weather to help in the weather warning process. SKYWARN Spotter reports provide vital "ground truth" to the NWS.

This is a FREE course that runs approximately 2 hours as a component of the Spring Conference.

PLEASE NOTE: Seminar registration is required. Please incorporate this seminar with your plans to attend the weekend of information and fun !
