Membership Meeting

Tuesday March 05, 2013 @ 1900
Brevard Veteran's Center
400 Sykes Creek Pkwy. Merritt Island, FL

Monthly Meeting Information

We are having our annual chili cook-off at the next general meeting. Please plan to attend, and bring your favorite chili, to be judged by members. Soups are welcome too!

Attention On Deck

As a fundraiser, the entertainment committee ,is asking members to donate, their used cell phones. In turn, we will sell them to a recycling firm. Please contact Donna Longway @ 321-474-8786, if you have any lying around the house.

AT THE HELM

Cdr. Gerard Meunier, SN

It is with high anticipation for our Squadron to have a great year that your Bridge Officers have put in place knowledgeable and enthusiastic teams in each Department.

As you know, USPS will celebrate its 100th Anniversary next January. We should all feel pride in belonging to this resilient organization which has served our country so well in the past and will undoubtedly endure to see its bi-centennial. Those of you who were at the Change Of Watch heard me talk about our goal of "220 in 2020", in other words, increase our membership by close to 60% in 7 years.

Your new Executive Officer, Lt/C Bob Rutigliano, soon to be AP, has already challenged us to do better than that. CBSPS will reach its 50th Anniversary in 2017; yes, we also have a significant history. Would it not be nice to prove him right and become the best Squadron in our District 23?

We have been deemed as "Doing It Right" by USPS standards. Nice.....but I trust we are capable of "Doing It Better". The Executive committee and all our committees are establishing 2013 objectives and tactics to achieve our strategic goals.

This will, of course, be a communal effort and I know that you will participate to the very best of your abilities. Let's have a fun and productive year together.

February general meeting speaker, Matt Culver, of Florida Area - Boating & Waterways Program Coordinator at Brevard County Government

EXECUTIVE OFFICER

LT/C Robert Rutgilano

Although P/C Jay Longway, P, has stepped down from the bridge, he will continue on this year as our Liaison between CBSPS and the Veterans Memorial Center and Brevard County waterways.

Our webmaster, P/Lt/C Rick Schoonmaker is bringing our website into the 21st century with the aid of Lt. Winnie Crawford, JN. Winnie is also researching Face Book as a possible means to get the word out to the younger generation.

Our Public Relations Committee is chaired this year by Lt. Jerry O' Meara. Jerry has jumped in with both feet and is actively exploring such avenues as Radio, movie screen and social media advertising.

Our Vessel Safety Check program is off to a good start with 8 VSC's completed as of 02/05/13 general meeting. P/C Kermit Forbes, P, continues to chair this committee as well as our Co-op charting efforts with the county which is well underway.

As part of our community service, Kermit, myself and 2 members of the Titusville Sail & Power Squadron took part in a Safety Fair presented by a local boy scout, David Itrich to obtain his Eagle Award. The fair was held on 02/09/13 at Joe Lee Smith Park Community Center, located at 419 Washington Ave., Cocoa. We demonstrated PFD use and the importance of wearing them, fire extinguishers inspection and sound signals. There was also a drawing for a reconditioned bike donated by the Sheriff's ranch.

This year we are exploring the possibility of setting up out tent at the Orlando boat show. We have been offered a free site for 3 days. This is an opportunity for all 3 squadrons to come together and pick up new members for the entire county. John Mulkey and I are researching the building of a Emergency Dewatering System mock up for display and demonstration at our tent events. Something to draw people to the tent and perhaps show them how to save a sinking vessel.

At the Change of Watch ceremony we received some very positive comments from acting D/C Tim Henke. During a conversation after the ceremony had adjourned, he stated he was very impressed with the number of awards presented, and told me he wished our enthusiasm would spill over into other squadrons in the district.

I ask all committee's and departments to work together for the common goal of the squadron. Let's work together like a well oiled machine, and reach the goal of 220 members in 2020. I believe we can attain this goal ahead of schedule, but it will take some effort from all of us to do it.

See you on the water.

ADMINISTRATIVE OFFICER

LT/C Louis Harlow, AP

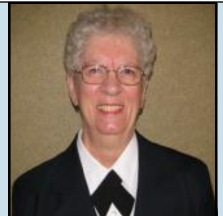

The view from the bridge is interesting. I hope the coming squadron year will be exciting and beneficial to all. If I can be of any assistance in regard to squadron activities or operations in general, please do not hesitate to call. I would appreciate hearing ideas specifically pertaining to boating activities, guest speakers, and entertainment.

Vessel safety checks are an important starting point for boating safety. If you haven't had your vessel checked please do so soon. Also, if you have friends and neighbors in need of vessel safety checks please let them know we can make house calls.

Sail safe, always remember one hand for the boat one hand for yourself.

SECRETARY

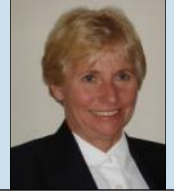

LT/C Marilyn Flanigan, P

New rosters will be coming available soon. If you have any changes, please let me know. You may either, call me, or email me. (See page 1 for contact information)

Happy Birthday to all who will be celebrating a Birthday in March 2013.

SEO**P/C Sandra R. Schoonmaker, SN**

Educating the public was one of the original goals of USPS's founding members, and 100 years later the organization is still the national leader in this arena.

Many of our members remember the traditional requirement of joining any USPS squadron included taking a public boating course that could last as many as 12 weeks, and passing the test at the end of the course. But times have changed and so has USPS.

We still teach a public safe boating class but it is either in one whole day or two consecutive half-days, welcoming new members who pass the test by giving them the first six months for free.

And if the boater is interested in taking our courses, the public boating course requirement is waived, and membership granted.

Last year CBSPS adopted another initiative for public boating education. We now enroll non-members in any of our Elective Courses and from the Advanced Grades, Seamanship and Piloting . A premium is charged for class attendance, but if membership is accepted within the class period, that amount is applied to the first annual dues payment.

And this past month we introduced still one more boating education opportunity to both our members and the public.....a Basic Weather Seminar. A series of these seminars is planned and will be advertised both in this publication and on our WEB site at www.CBSPS.com. These two hour seminars introduce the basics of their subject matter, and for many CBSPS members, a much needed refresher course.

With all this activity, the classes are filling up rapidly and sometime to capacity, determined by the classroom space and subject matter covered. A reminder: signing up for a class is a commitment to attending. Books are special ordered and the instructor prepares hand-outs and other materials based upon the enrollment numbers. If you are unable to attend, please give the instructor or the SEO one week notice. In many cases there is a waiting list for the class and your space can be filled from that list.

Education Class Schedule

April 8: Engine Maintenance – Wuesthoff Hospital

April 13 & 20: ABC III – Port Canaveral Yacht Club 0900-1500

April 22: Seamanship – Cape Canaveral Hospital -2100

April 27: Basic Charting Seminar – Port Canaveral Yacht Club 1000-12000

June 8 & 15: ABC III – Cape Canaveral Hospital 0900-1500

June 22: VHF Radio Seminar – Port Canaveral Yacht Club 1000-1200

COCO-NAUTS CORNER

Debra Burleson, PRESIDENT

Wow, we had 24 ladies, that attended our annual friendship salad luncheon, that was held on February 13th, at the Cocoa Village Marina!!! Our next meeting is going to be held on March 13th, at the Island Tiki Grill, in Merritt Island.

I am getting excited, about having a card/game party this year! Pam Johnson, and I are going to meet, and, try to work out, all the details prior to our next meeting!!! If all goes, as planned, we will have the game party in early May of this year. Members, and guests, alike, certainly enjoyed the previous game parties that our auxiliary put together.

Of course, we are also going to sell tickets for Macy's Shop For A Cause, which will be in August of this year. This is an easy fund raiser for our auxiliary. We get all the money for the tickets we sell, and Macys, donates to the March of Dimes.

March Birthdays

**05 - Jane Schnoor
06 - Pamela Johnson
14 - Barbara Millner
28 - Evelyn Tribout**

CALENDAR OF COMING EVENTS:

February 2013

28 - Thursday, 1800 Executive Committee Meeting, Merritt Island Library

Boating Report by P/C Duane Balkema, AP

WELCOME BOATERS!! We have worked a new schedule for 2013 that is included on page 8 in this issue of the Soundings. (I am getting direction to combine some events with Banana River and Titusville Sail and Power Squadrons. We are open to your suggestions as well.

Our next Squadron Event will occur as this issue is first published. February 23, 2013 at 12:00 we plan to cruise to and meet at the Spoil Island Just north of Water Ski Island, which is also a spoil island just NW of Canaveral Locks. Call and advise if attending at 452-5892. Come self contained with eats and drinks. A fire can be arranged if by agreement we need one.

We plan to Cruise to SAMSONS ISLAND March 9, 2013, Saturday arriving at 1:00 PM. This is significant for two reasons; one that we didn't make it to the island the last scheduled time and two that it is a Banana River Sail and Power Squadrons scheduled event. Call and advise if attending. We can head there from several destinations arriving as a group if desired.

BLOOD DONATION

The next blood donation will be on 06 March @ 0900am at the Blood Center on US Hwy. #1. All donations are appreciated!!!!

SKYWARN®

Basic Spotter Training Class

Saturday

March 2, 2013

1000 AM to 1200 PM

Hosted by

**Harris Chain Sail and Power Squadron
United States Power Squadrons - District 23**

Marriott Inn Ballroom

Lake Mary, Florida

The United States Power Squadrons, District 23, in cooperation with the National Weather Service in Melbourne, will be hosting a Basic SKYWARN Spotter Training Seminar.

SKYWARN Training is geared towards anyone with an interest in public safety and communications during extreme weather events.

SKYWARN is a program that was developed and is presented by National Weather Service (NWS) meteorologists. The seminar consists of trained weather spotters who report severe and hazardous weather to help in the weather warning process. SKYWARN Spotter reports provide vital "ground truth" to the NWS.

This is a FREE course that runs approximately 2 hours as a component of the Spring Conference.

PLEASE NOTE: Seminar registration is required. Please incorporate this seminar with your plans to attend the weekend of information and fun !

American Cancer Society

Cocoa Village Relay for Life Cancer Walk

April 27, 2013 @1500

Riverfront Park in Cocoa Village

Last year CBSPS raised over \$1700

Goal this year over \$2000

Members are invited to join our team to participate in this fun event, and help raise funds by member donations for the ARC. Unfortunately cancer has touched many of us, our loved ones, or friends. Your donations go to support Cancer Research, and services, that has resulted, in an increasing survival rate from this dreaded disease. It would be appreciated, if you would sign up, and bring a donation to the next meeting. Donations can also be mailed to relay team chairman P/C Bud Miller. Checks should be made out to ARC, with our squadron's team name (CBSPS) noted. In next month's issue of "The Soundings", we will include information, on how to, donate, by credit card.
