# AT THE HELM

**Commander Lance H. VandeBerg, P**

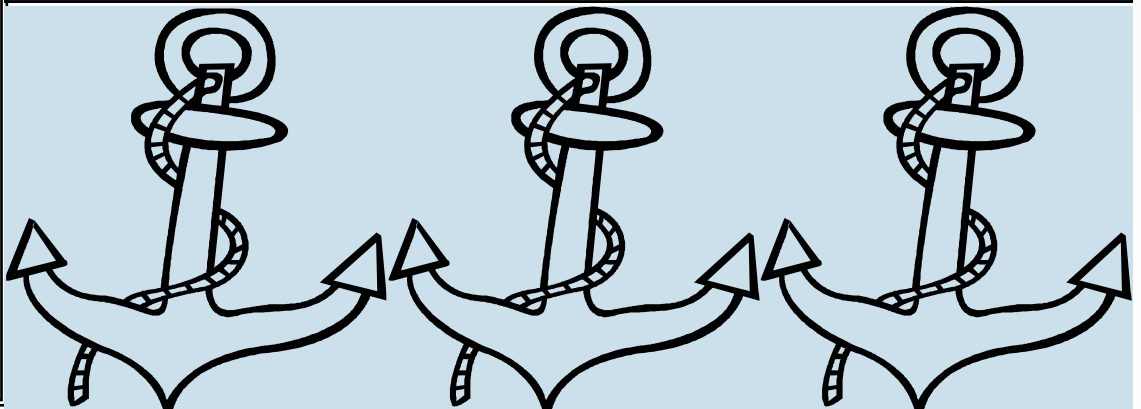

The D23 Spring council was held in Deland on March 27<sup>th</sup> – 29<sup>th</sup>. We had 13 members present from our squadron. Robert Becker, SN, was installed as the new District 23 Commander. Bob has over 40 years experience with the USPS and we look forward to working with him in the coming year.

The executive board met on March 24. As usual, many issues pertaining to our squadron were discussed, including planning for our hosting of the 2009 D23 Fall Conference, and a final budget review.

At our general meeting on April 7<sup>th</sup> we installed two new members. I would like to thank P/C Mike Stone, P, Lt Denise Stone and Lt Gene Millner, P and Lt Barbara Millner, AP for there presentation on their trip through the Panama Canal and other ports of call. Past member, Ira Bickham, presented a donation of a complete set of alpha flags and a quilt which was made by our woman's auxiliary years earlier. A life member award was given to Trent Milliken, P for earning 25 Merit marks. A USPS award in Journalism was given to Lt Debra Burleson, S, our Soundings editor. We also passed our 2009 budget.

We received a thank you letter from the Veteran's Memorial Center Executive Board of Directors, thanking us for our generous contribution to the Memorial Gardens Project. The donation will be used for a 24" brick and benches for the gardens.

## EXECUTIVE OFFICER

**P/C Kermit Forbes, P**

As we start off the Month of April, everything is pointing toward being able to have a great couple months.

1. The water temperature is above 70 degrees and the fish are suppose to be plentiful
  2. We have a great boating activity scheduled to take place on April 25
  3. We have a safe boating course scheduled to start May 12
  4. We have a great boating activity scheduled to take place on May 30
  5. The temperature of my pool is over 80 degrees
  6. My boat is running great
  7. I have a small flats boat that my neighbor and I are ready to launch
  8. The squadron has an approved budget (we need to have a fund raiser or two to help support it)
- Our vessel examiners are off and running with 70 plus completed.

We need every member's input, support, and help to have a successful year. I want to take this opportunity to thank each person on my staff for your contributions of the past, without you the Exec would accomplish nothing.

## SQUADRON EDUCATION OFFICER

**LT/C Paul A. Ragusa, P**

Congratulations to P/Lt/C Brian Grigsby, N, and Dennis Peterson, N, who are the latest recipients of the Coveted N grade. They joined P/D/C Les Tribout, N, Lenny Senibaldi, N, and Bruce Wade, N. Accolades also goes to P/D/C Fred Adame, SN, their instructor and P/C George Hess, SN, Chair/Celestial Sights, who checked over their folders and sent them on to National to be graded.

The piloting class took their exam, which is now being graded at National. Good luck to the six students, and their instructor Lt Jack Wurst, AP, though I don't think this group needs any luck.

Marine Electronics just took their ME 101 exam, and began ME 102. Instructor Lt Howard Bernbaum, SN is leading the way, with personal insights from his many years of sailing.

The Harbortown Flea Market was fun, and it was nice to see so many of you there, though the crowds were smaller than in the past, but the enthusiasm was high.

I have received a letter from Catherine Schweinsberg, director of the Central Brevard Library (Cocoa), who wrote that they had ordered the following books: Boating 101, Essential Lessons for Boaters, Power Boating for Dummies and Your First Power Boat: How to Find, Buy, and Enjoy the Best Boat for you, from monies donated by CBSPS.

## ADMINISTRATIVE OFFICER

LT/C Gerard Meunier, JN

### Membership:

A new Member, Richard Corrigan of Cocoa Beach, is joining our ranks. His phone number is 321-784-2519. Let's give him a call to welcome him and his 33' boat.

That makes 3 new members in 2 months. Let this become the trend for this year, and bring our latest 164 membership up.

### Membership Retention:

We need volunteers to call a few of our "ghost members" to remind them of the many activities, and interesting General membership presentations coming up. As you know, most renewals are in May and we want to keep our Membership number up. Give me a call!!

### Entertainment:

It's all in the "Calendar of Events" page of Soundings but let me highlight a few:

- Sat April 25<sup>th</sup>: Meet the Fleet Rendezvous/lunch
- Sat May 9<sup>th</sup>: Cardboard Boat Race with 2 (may-be 3) vessels to cheer.
- Sat May 16<sup>th</sup>: Blessing of the Fleet & start of Safe Boating Week. Vessel Examiners: Get ready!!
- Thu May 21<sup>st</sup>: BCC Planetarium for a very interesting evening.
- Sat May 30<sup>th</sup>: Boating Rendezvous at Sunset Grill.

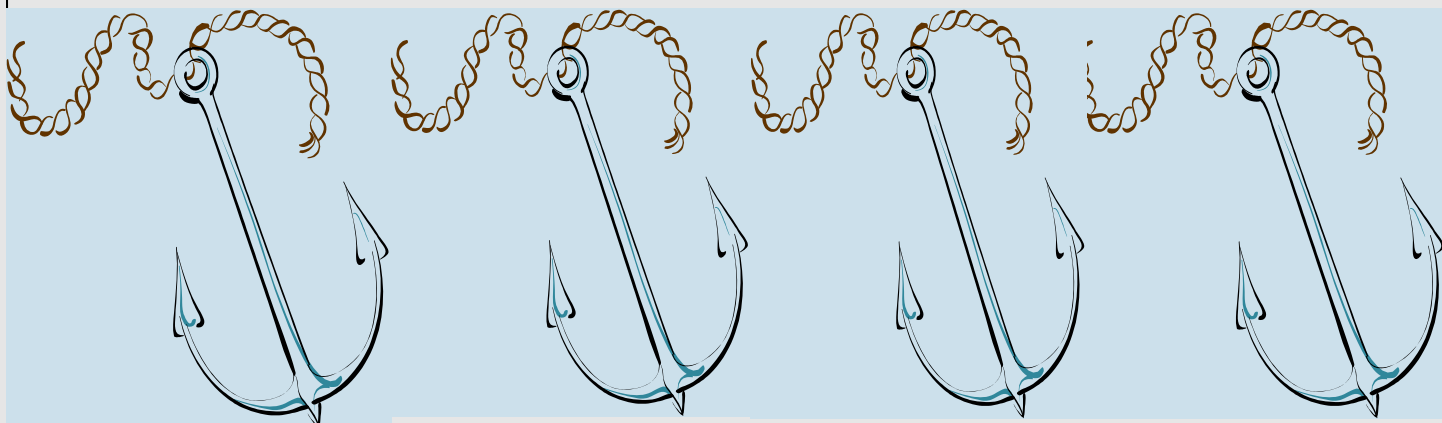

### Programs:

Those members that were not at the April 7<sup>th</sup> General Meeting missed, the excellent presentation by the Millners and the Stones on their cruise to the Panama Canal.

On May 5<sup>th</sup>, we will look at the challenges (and rewards) of the Great Loop.

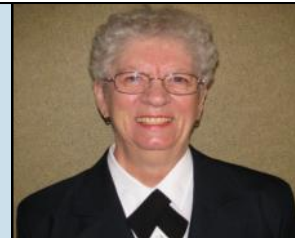

On June 2<sup>nd</sup>, we will see a return of Earl McMillin, ex Head Pilot at Cape Canaveral, and admiralty lawyer for a dozen years. Bring your questions!

On July 7<sup>th</sup>, we travel overseas to The Amazon River with our very own Doris Valentine.

## Coco-Nauts Corner President, 1/Lt Susan Forbes, S

The Coco-Nauts had a great meeting on April 8th at Applebee's. The attendance was great and I really appreciated it as it was my first meeting. We agreed to postpone our card party until January of 2010, as we have a busy calendar for the remainder of this year. Oct 1, 2, and 3 are the dates for the D-23 Conference in Cocoa Beach, and we will be busy preparing for those activities, in addition to the Harvest party and Italian night. We will have a White Elephant sale at our Italian night in September, so start thinking of things you can donate.

The picnic at my house on June 10th starts at noon, and everyone is to bring something, we will be calling everyone to get a count, and let us know what you are bringing. Spouses and significant others are invited. Next meeting is May 13th at Cape Canaveral Library at 12:00 noon, which is a brown bag luncheon. Drinks will be provided.

Have a wonderful spring

## Who Am I?

I was born in 1933 during the “Great Depression” in a farm house outside Greenville, Illinois. I spent most of my early years growing up working on the farm, until around my 13th birthday, when my Father accepted a job as foreman for Kaiser Aluminum to build 1500 homes in California. It was here, that I started to learn about the rest of the world.

Several years later, we moved back to Illinois, where I finished High School. In 1953, I took a job with McDonnell Aircraft and furthered my education by going to college to obtain an Engineering Degree.

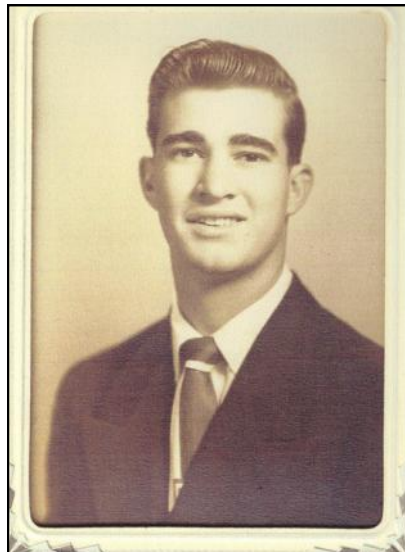

In 1961, I was assigned to the Mercury/Gemini Launch Team and was transferred to KSC, where I Worked with the “Original Seven Astronauts”, and later on worked on the Skylab, Apollo and Titan 4C Programs.

In 1966, I bought a house on Merritt Island in Catalina Isles, married a woman with 2 sons. I had A 40' Flybridge Sportfish CristCraft that we used to fish offshore here and run to the Islands to relax and enjoy Florida. Later on we used it to attend Squadron outings & cruises. We all enjoyed and loved Florida and the waterways here.

CBPS was chartered in November '67 and I was in the first boating class held, which I passed and was sworn in in March '68. I started out as Asst. Treasurer, and at the time we had a bank account of \$50 or less, and I had \$13 and some stamps in a shoe box to operate out of at the meetings.

I later moved on to the position of Cruise & Rendezvous chairman, which I held for several years. Squadron members during those days loved to cruise the Florida waterways from Jacksonville to the Keys. In the early 70's, I accepted the position of Admin. Officer, until our squadron had a shake-up due to the layoffs as KSC. I was sent overseas on assignments building shuttle landing strips in Morocco & Spain, as well as 23 other countries fielding military weapons for the US government. I dropped out of CBPS from 1978-1996 as a result.

We came back to Florida, I retired, and my wife passed away in '95. I reinstated with the CBPS in '96 and was remarried in '99. Since reinstating, I have held the offices of Executive Officer and Commander of CBPS, as well as D23 Administrative Officer, D23 Executive Officer and finally D23 Commander.
