- Another great boating event last month with 3 boats and 25 members in attendance. Thanks to the boating committee for all their hard work in planning these events.
- A reminder that we are members of the Brevard Memorial Veteran's Center and volunteer to bring in canned goods, especially water in this hot weather. Leave your contributions in the main foyer.
- We had some confusion last month with our reservation email address: it is boatevents24@gmail.com
- Please save this to your "contacts" and use it for all events requiring reservations AND regrets when you cancel your reservation
